

ELIXOR

The Bearer of the Elixir of Healing from Heaven!

Healing is one of My precious gifts to you.

Jesus, we claim the promise, "The prayer of faith shall save the sick, and the Lord shall raise him up."

I prayed for you, and Jesus healed you!

I feel better!

Because I love each of you so much, I paid for the healing of your bodies when I died for you 2,000 years ago.

You can therefore claim My promises for healing when you are sick or when you pray for others who need healing.

Read more about Jesus giving His life for our salvation and healing in *MLK* #183, pages 10–11.

James 5:14–15

I have also created special angels and spirit helpers to help you receive My healing touch. One such spirit helper is Elixor. When you call on Elixor, he will bring the elixir of healing from Heaven and pour it on you or on those whom you are praying for.

Psalm 34:19

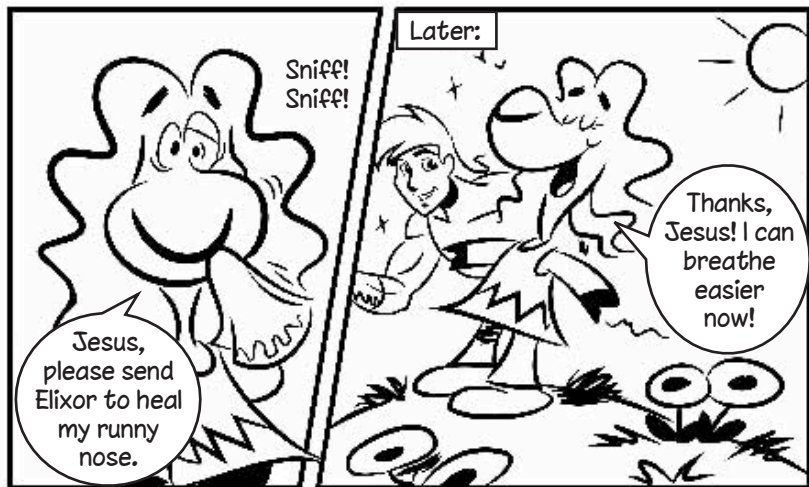

The keys work miracles. Call on the keys of healing and I will do the miracles for you.

Do you have a cough? Ask Me to send Elixor. He will bring My heavenly elixir to soothe your lungs and throat.

Do you have a cold or allergy that causes your nose to run or be blocked up? You can ask Me to send Elixor with the healing elixir of Heaven, to heal you and help you breathe easily once again.

Do you have a headache? You can ask Elixor to pour the elixir of Heaven over you, to relieve you from pain.

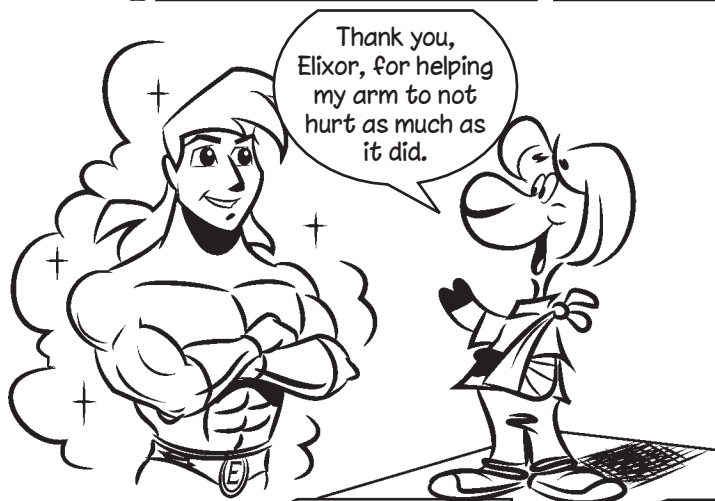

I can heal any disease as you call on the keys.

Does your tummy hurt? Then ask for Elixor to pour My elixir on your tummy, to help soothe the discomfort and heal you.

Isaiah 40:29

You will heal the sick through the power of the keys.

Have you been hurt in an accident? Ask Me to send Elixor, and he will pour the elixir of healing on you. This will speed the healing process and bring you relief from pain.

Claim My full healing power through the keys, and you will be healed.

Jesus, please send Elixor to heal the girl we met when witnessing.

Mom! The boy we met today said he would pray for my tooth to be healed. And now the pain is gone!

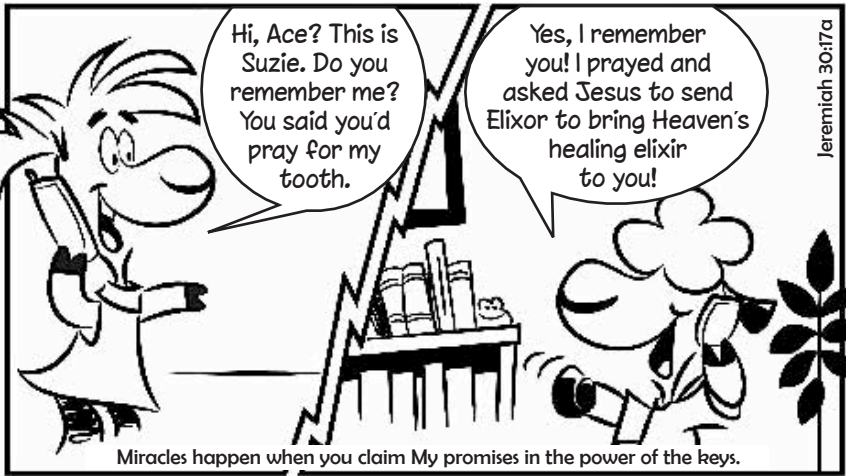

Does a friend or someone you've met when witnessing need healing? You can ask Me to send Elixor to pour the elixir of Heaven over her (or him).

Wonderful! You should phone and thank him!

When you pray for the healing of those who are sick that you witness to, you give them the opportunity to experience a sample of Heaven through My healing touch in their lives.

Miracles happen when you claim My promises in the power of the keys.

My elixir can heal anything! When you ask Me to send Elixor, he gladly brings My heavenly elixir to the part of the body that needs healing.

Matthew 10:1

Isaiah 53:5

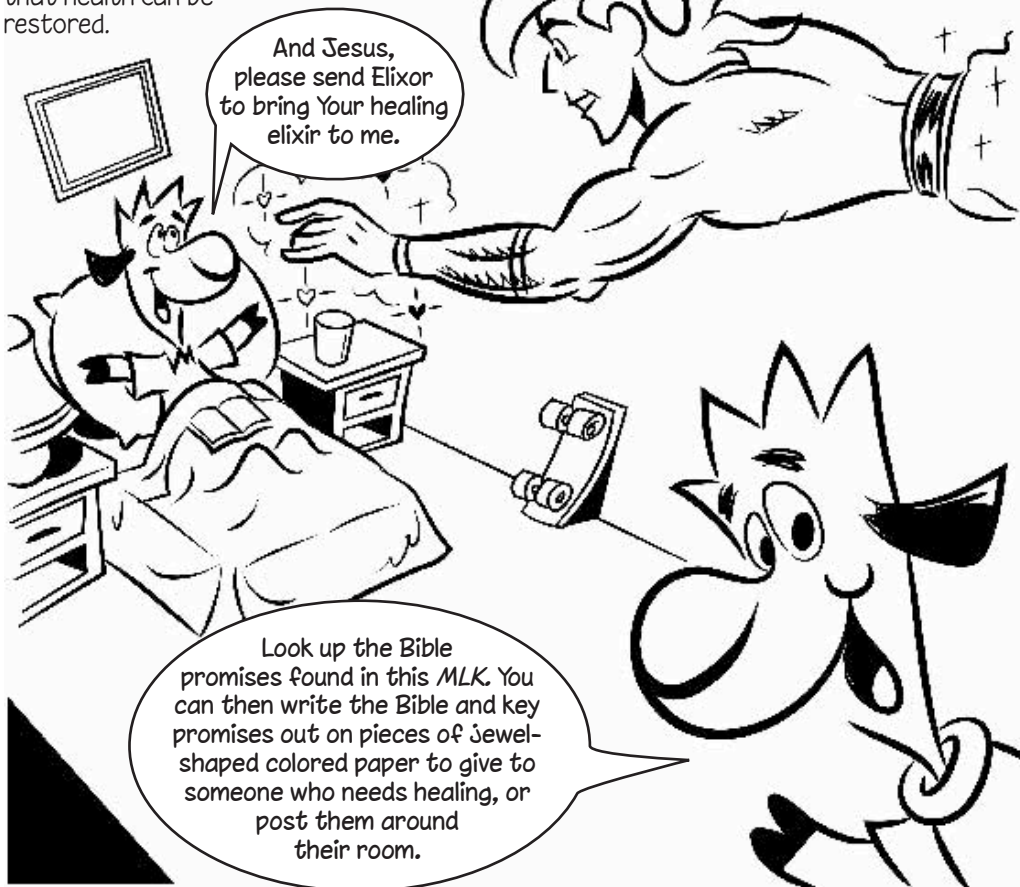

You or the one you are praying for will soon experience My healing touch, by either being completely healed, or by feeling better.

I've made you, and I can fix you, as you call on the power of the keys.

You can also ask Me to send Elixir to pour My healing elixir over the affliction so that health can be restored.

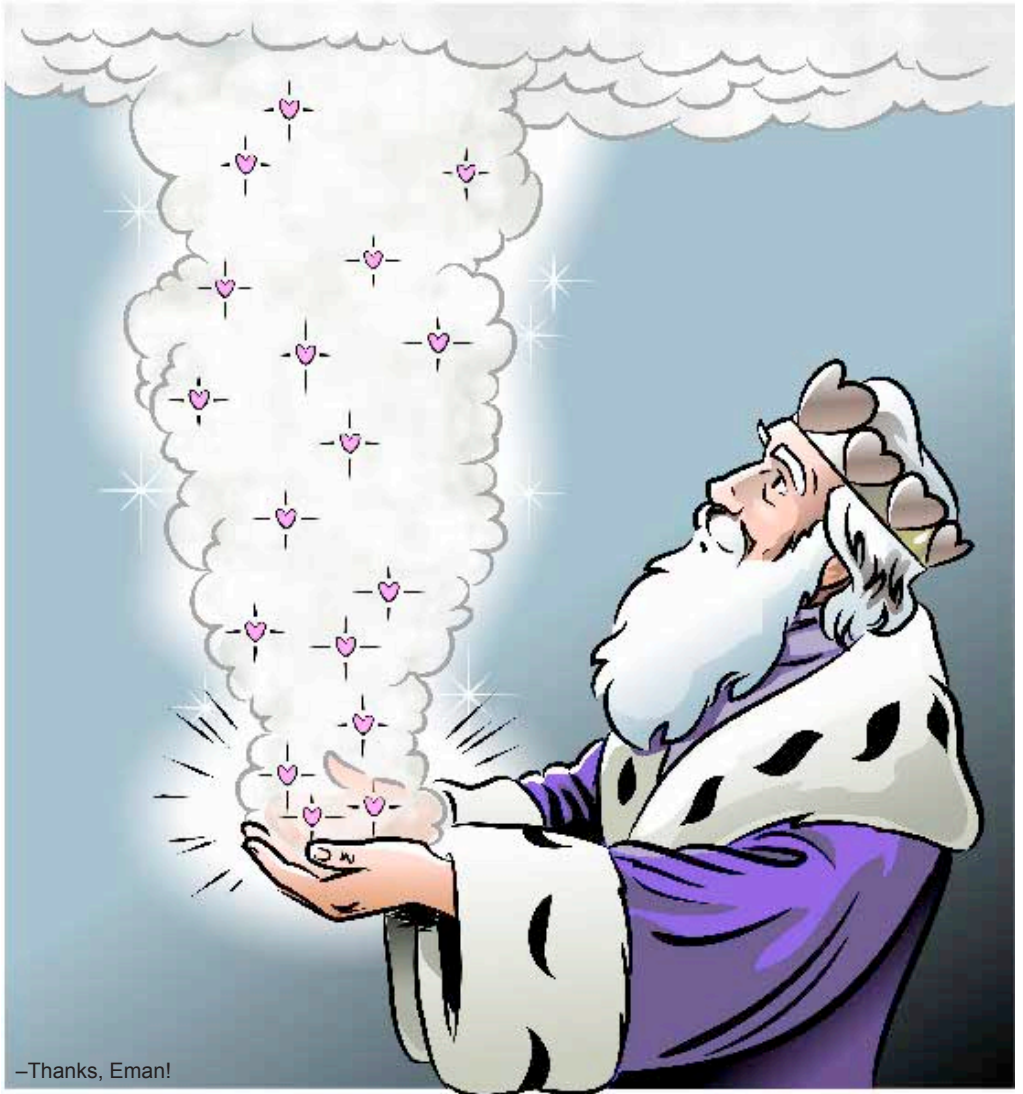

THE ELIXIR OF LOVE

Grandpa's explanation about a dream he had about the Elixir of Heaven (January 1976).
(ML #677:1-4, 16; *JunDB1*, adapted)

The Elixir came down from Heaven. I caught some in my hands and then my hands could heal anything!—Hearts or minds or bodies.

Nothing could resist the elixir of God! It changed whatever it touched. The elixir can do anything! It's like the power of love, nothing can resist it. It heals anything, mends anything, creates anything—it's all-powerful. It even creates life. It's wonderful! It's gentle, but nothing can stop it. It can do miracles!

—Thanks, Eman!
